## **License Information**

A cigarette dealer's license does not authorize the licensee to engage in the business of trafficking in cigarettes at any place of business in this state other than that specified thereon by the county auditor.

There is no discount for multiple locations.

In the event that a business is moved from one location to another, or the business is sold, or an individual or partnership incorporates his or their business, or a partnership or corporation is dissolved, the cigarette license that has been issued to a dealer prior to the occurrence of any such event may not be used, and a new license must be obtained.

**Important Notice:** Ohio recently passed legislation that prohibits the sale of cigarettes in Ohio that have not been approved by the attorney general's office. A list of brands legal for sale in Ohio can be found at www.attorneygeneral.gov/Services/Business/Tobacco-Diretory-Search. This list is periodically updated. Any brand not listed on this Web site is considered contraband and is subject to confiscation.
